

# Edward Trent

Senior Sales Executive

Edward Trent is a Lexus Legend. He is only the third person in Australia to have sold more than 900 Lexus vehicles. He was the top Australian Lexus sales consultant in 2005 and was second in 2006 and 2009.

Edward's success, in just five years, is testimony to his passion for the Lexus brand and his no nonsense approach to delivering the highest standards of service.

Edward is understated, efficient and highly organised. His clients appreciate the fact that he understands that their time is extremely important. He deals with every item of paperwork quickly. He never lets things go and is keen to respond to his clients immediately. All this makes the process and experience easy and pleasurable.

Being both intuitive and a good listener allows Edward to get to know which Lexus will satisfy the needs of his clients. He then helps his clients to make the right choice that is best suited for them. Edward's outstanding sales achievements are due to his very high levels of repeat customers and referrals.

Edward says that his job is a pleasure because he has so much confidence in the product.

South African born, Edward is now very much at home on the North Shore. He lives in Mosman and enjoys spending his free time with his young daughter who enters every competitive dance eisteddfod and competition in Sydney. He can be found kayaking on the local waterways or bushwalking around Georges Head, The Spit or Cremorne Point. He loves the North Shore lifestyle and finds local people a pleasure to deal with.

A music fan, the Mark Levinson sound system will always be turned on in his favourite Lexus. Edwards likes the IS 250 F-Sport because it is a compact yet spacious sports sedan.
